WATCH MUSKEGON For Manufacturing

2021

"Revel has been a great partner in helping keep our brand current.

They've been providing a variety of marketing and advertising services for Dynamic Conveyor for several years. We have always found them to be creative, professional, responsive and easy to work with."

At Revel, we don't believe in marketing that's simply clever and checks off a laundry list of commodity services. We're determined to challenge the status quo, deliver something better, and solve our clients' toughest marketing problems.

Get in Touch and Let's Build Something Greater.®

When local businesses thrive, we all win.

We're proud to be named the #1 SBA Lender in the region¹. But what really makes us happy is helping people start and grow their businesses. Because we know when local businesses thrive, our communities thrive. So let's get to work, together. Give Jennifer Hamdorf (231-725-0375) or Todd Sellon a call at 616-846-0709 or visit your neighborhood branch.

¹SBA loans subject to SBA eligibility, credit application, and approval. Huntington is the #1 SBA 7(a) lender in the region made up of Illinois, Indiana, Kentucky, Ohio, Michigan, West Virginia, and Western Pennsylvania from October 1, 2008 to September 30, 2020. 2021 Muskegon County Manufacturers & Industrial Company Directory

This directory contains a list of nearly 300 manufacturers and industrial companies located throughout Muskegon County. Developed from a survey of these firms, it includes the most up to date information available at the time of publication. As evidenced in this directory, Muskegon County has a vibrant manufacturing community which provides employment for nearly 14,000 people, representing over 21% of those working in the County. Core industries include aerospace, automotive, furniture, chemical, food processing, and defense contracting.

Several area manufacturers are respected as global leaders in their industry. Howmet, regarded as the most advanced aerospace manufacturing facility on the planet, continues to be the largest manufacturing company in Muskegon County, with 1,900 employees. Other renowned manufacturers include ADAC Automotive, Port City Group Companies, Motion Dynamics, Aludyne, G.E. Aviation, Structural Concepts, Eagle Alloy, CWC Textron, Anderson Global/Anderson Express, Hilite International, and La Colombe.

Bolstering our manufacturer's prominence is a highly skilled, educated, well-trained, and workforce. With programs in applied technology, experiential learning, an entrepreneurial institute, 3D printing, a prototyping center, and more, education partners such as Muskegon Community College's Sturrus Technology Center help keep our labor force prepared to meet the demands of a changing economy. Other talent development partners include West Michigan Works!, Baker College, MAISD Career Tech Center and the Stevenson Center for Higher Education, which provides bachelor degree and above opportunities from designated in-state universities.

NAICS Codes

Muskegon County manufacturing and industrial firms listed by principal product

The North American Industry Classification System (NAICS) is the standard used by Federal statistical agencies in classifying business establishments for the purpose of collecting, analyzing, and publishing statistical data related to the U.S. business economy.

NAICS was developed under the auspices of the Office of Management and Budget (OMB), and adopted in 1997 to replace the **Standard Industrial Classification (SIC) system**.

For more information on the North American Classification System, please visit: www.census.gov/eos/www/naics
