What is the Muskegon Business Resource Team?

The Muskegon BRT is a **FREE** business outreach program comprised of local, regional and state organizations that educate and counsel at every stage of growth. These organizations provide **programming, incentives, and referrals** to help businesses start, grow and stay in Muskegon County. This one-stop source offers easy access to the services and connections needed to run businesses effectively, efficiently and profitably! Many of the organizations specialize in various growth stages, ● Start-up, ● Growth, ● Expansion.
